Dear Brother Jim,

Just wanted to send a letter of thanks to you and your staff for putting on the Chaplains/Prison Workers Retreat.

It was a blessing to be around people who share the same burden that you have, and who are willing to come together and share the ministry Gods called us to.

As I shared with you during the retreat, I have been to a number of Chaplains conferences, and that Rivers of Living Waters conference has been the only conference were I was able to sense the presence of the Lord. Thank you for listening to the Lord.

All the work shops and main sessions were very good. The speakers knew what they were talking about. They made the retreat interesting.

If I may I would like to make one suggestion, and that is to have just a little more time set aside for fellowship. I would of liked to have heard more about other ministries that were represented there.

Enclosed is a check for \$20.00. Would you be so kind to send me a tape copy of all the sessions. It would be greatly appreciated.
