Program

"If this people will not repent, then, I the Lord their
God will write Michelob on their door."

Sombody's going to get some

"Thus saith the Lord, Why does this people set around on
their cans and do nothing? For do you not know that my
word has been around for God knows how long?"

"Yea my people, that is if ye are my people, I would say
unto thee, fear not! For the Lord your God knows that ye
fear some things and ye fear sometimes! Ye know that sometimes
I am afraid myself!"

"Yea my people, I know that ye are having a hard time. Yes,
my people, saith the Lord, I know that it is rough on you
sometimes! Sometimes I don't know what I am going to do
myself."

"Yea my people, as far as I know, I have nothing against
thee."

"Yea, saith the Lord, yes, yea, saith the Lord. Surely,
yea, saith the Lord. Yea, saith the Lord. Yea, saith the
Lord. Oh me, yea, saith the Lord, yes, yea, saith the Lord.
Yea saith the Lord." This person walked around the preacher,
looked at him and said, "Brother, I have yea'd and yea'd,
but the Lord won't say anything."

"Yea my people, as Moses was caught up in the chariot..."
and continued a long dialogue about Moses in the chariot
and sat down. The person jumped up a few minutes later
and said, "Yea, my people, saith the Lord, I have made a
mistake, it was not Moses in the chariot, but it was Elijah
in the chariot."

"Yea, my people, thou art not to watch the one-eyed monster.
But you would say, 'But Lord, we watch the News and the
Weather.' But I would say unto thee, 'Thou art watching
I LOVE LUCY.'"

"Yea, my people, I am not in this place." A few
minutes later, "Yea my people, really, I am not in this
place." About fifteen minutes later, "My people, you think
I am kidding. I am not in this place."

"Dot, dot, dash, dash, dot, dot, dash, dash, dot, dot, dash,
dash. Yea my people, saith the Lord, this is Morse Code
from heaven."

"Yea my people, the spirit of Moses is in this place. There
is too much lawlessness in this place." Another person
stood up and said, "The spirit of Peter, James, and John
is in this place. Listen not to Moses, but listen to Christ."

Over

✓ A young man stood up and gave a prophesy, and it was wrong. The elders of the church rebuked, corrected, and encouraged the young man and continued the service. The same young man stood up and said, "It was too of me, saith the Lord."

✓ One man was agitated about another man prophesying so long. When he was finished, he said, "That prophesy was not of me, saith the Lord, but this one is of me."

✓ "Thus saith the Lord, I am not in this place." Another person said, "I am too in this place, saith the Lord." The first man stood up and said, "Don't believe that. 'I am not in this place,' saith the Lord."

✓ "The ball's in your court, saith God, and you're not doing a darn thing with it."
